

# Her Majesty's Golf Odyssey – By Road

*A road-borne odyssey for women who have outgrown “ladies’ golf tours.” Over ten days, you travel in private comfort along the Cape’s most beautiful roads, linking its most coveted coastal and Winelands fairways with two unhurried nights on Big Five safari. Every tee time is pre-secured, every spa ritual choreographed, every transfer handled. Championship rounds, long lunches, wine, wilderness and style—engineered for women who are as exacting about the way they move through the world as they are about the way they play.*

**Fairways by day, five-star indulgence by night —  
exclusively for women who play, travel and live at the highest level.**

*Where elite women, championship fairways and couture-level pampering travel together.*

## Cape Town – Paarl – Hermanus – Safari – Garden Route

*Her Majesty's Golf Odyssey – Grand Tour by Road is a 9-night, 10-day, chauffeur-driven journey through the Western Cape's most coveted fairways, wine estates and wildlife reserves. Designed for 4–6 women, it traces a refined circuit from Cape Town and the Winelands to Hermanus, Safari and the Garden Route, blending championship golf with two nights of Big Five safari, spa rituals and long, scenic drives. It's the same narrative of excellence as the helicopter edition — told at a slower, more contemplative pace, with every road, lodge and round curated in advance.*

*This women-only road odyssey is built for the true “who's who” of the game — serious players who want flawless fairways by day, couture-level pampering by night, and a journey where nothing is standard, nothing is shared with strangers, and no detail or upgrade is ever left on the table.*
