

Her Majesty's Golf Odyssey by Helicopter

Helicopter-only, women's golf odyssey across South Africa's most coveted courses — ultra-private, five-star, white-glove luxury for serious style-setters who travel with couture golf bags, expect flawless fairways and designer suites, and choose once-in-a-lifetime, inner-circle access over anything ordinary.

**Where elite women, legendary fairways
and helicopter-level luxury meet.**

Her Majesty's Golf Odyssey is not a golf trip. It's the itinerary you didn't know was possible.

Cape Town – Paarl – Hermanus – Safari – Garden Route

Over nine days, every movement is by helicopter; every tee time is locked in before you land; every spa ritual, safari drive and private shopping moment is precision-timed. Day 1 opens with an airside VIP welcome in Cape Town, a heli sweep to a cliff-side retreat and a low pass over Seal Island. Day 2 delivers a full Cape Peninsula heli circuit, 18 holes on a premier coastal course and close-up time with penguins. Championship golf in Paarl, Hermanus and along the Garden Route is layered with five-hour spa immersions, 4x4 dune sundowners and a fly-in Big Five reserve — all by helicopter.

This helicopter-only, women-only odyssey is built for the true “who’s who” of the game — where nothing is standard, nothing is shared with strangers, and no detail or upgrade is ever left on the table.

We don't publish prices, because no two Odysseys are ever the same.

Each journey is designed around one specific group of women, at one specific moment in their lives. A single "from USD X" would be fiction.

If this itinerary feels aligned with you, we'll discuss dates, preferences and configuration in a private consultation, and then issue a tailored proposal.
